

Plecome all to the 71st annual GVH Horse Trials! We are proud to be the second oldest combined training event in America! We are happy to have you back in our Valley and happy to have our Canadian friends join us this year. Please enjoy your time here and know that we appreciate your support.

Thanks especially to all our landowners, Beth, Sean and Terumi Harris, David Chugg and Seven Nations Farm. We have such a beautiful venue, we are so locky to be able to use it. Please thank these fine people as you gallop around the course!

This spring, our traditional show jumping area was tiled, fitted and seeded, however, we felt like it needs one more year before we use it. Thanks to those that donated their time, money and effort to this project. This work should improve the footing and drainage for show jumping immensely. Thanks for your patience as we try to improve our show jumping venue.

Thanks so much to our army of volunteers and professionals, without your cheerful efforts, the Horse Trials could never happen! You all put so much into the details to make this Event great for 71 years. Please know the GVH Hounds appreciate all the work you do to support them and this fabulous Tradition.

In the Genesee Valley hunt country, foxhunters refer to specific important areas as the Gully, the Big Woods, the Oneida, and the Bottoms. In the same spirit of foxhunting, we acknowledge these generous sponsors.

# Volunteer of the Year

This year we are giving the Volunteer of the Year Award to David Chugg. Dave has volunteered in so many ways for our Horse Trials over many many years. He has shared his land with us. He has mowed and mowed and mowed. He has aerated, rolled disced, sprayed and fluffed and sponsored. His Generosity is unmatched. I don't think he ever said no. Not alot of people that you can say that about.

We are all thinking of Dave and his family during his recent illness.

Thank you for all you do for us!

# 10th Annual Donald T. Holland Memorial Team Challenge

Donald Holland was a longtime supporter of both the Genesee Valley Hunt and eventing. He believed that riding should foster camaraderie, and that in competition, all levels of competitors should feel comfortable talking to each other. In his honor, we're up to the 9th Annual Donald T. Holland Memorial Team Challenge.

- There are 3 or 4 members of each team and 3 scores count toward the final score
  - There must be a minimum of 2 levels represented on each team.
- Awards are beautiful sashes for the horses of all team members, placed 1 – 3

# To The Spectator

We hope that everyone will have a good time at the Horse Trials. No other sport permits the spectator such an active role, but one person in the wrong place can ruin months and years of hard work for the competitors.

The horses and riders are participating in a very demanding sport and, at times, will be moving at high speed. Always look both ways before moving and stay alert for, and heed, warnings from officials.

To ensure the safety and enjoyment of the spectators, here are a few important guidelines:

- Remember that horses always have the right of way.
- Please see that children are with adults at all times.
- Dogs MUST be kept on leashes NO EXCEPTIONS
- Park only in designated areas.

The Genesee Valley Hunt Horse Trials comprise three distinct tests during which a competitor rides the same horse throughout: A dressage test, a cross country test,

and a show jumping test.

The Dressage phase on Saturday is held at Hideaway Farm on Roots Tavern Road. It is an ideal location with two beautiful sand rings and plenty of well groomed grass areas for an additional ring and warm up.

The site of the Cross Country and Show Jumping competitions, on Sunday, is the Nations Farm on Nations Road. The area is open, with rolling hills, and good viewing for spectators. The show jumping or "stadium" phase of the Horse Trials is set in a natural amphitheatre on the Nations Farm, below the food and patron tents. There is no charge for parking or spectators, but there is a fee to enter the patron tent and enjoy all the benefits.

## DRESSAGE

The dressage phase is designed to test the horse's physical development, mastery of the basic gaits, and obedience to the rider's unspoken commands.

## CROSS COUNTRY

This phase tests the endurance and jumping skill of the horse over open country. It challenges the competitors' knowledge of pace and the ability of their horses over various terrain.

## SHOW JUMPING

The object of the show jumping phase is to prove that after all the endurance demonstrated on the cross country course, the horse still has the suppleness, energy, and obedience necessary to continue in the competition.

English & Western Saddle Fitting

Repairs & Flocking

Patchwork Saddlery provides saddle fitting, bridle fitting, flocking and repairs. We have a retail store in Avon, NY where we carry multiple saddle brands as we believe that no one saddle company has a saddle to fit every horse.

Contact us for a saddle or bridle fitting and one of our saddle fitters will meet with you and your horse at your barn.

Patchwork Saddlery's Heidi Hauslauer is a Qualified Saddle Fitter through the Society of Master Saddlers. It is her mission to ensure that your saddle allows you and your horse to perform at your very best, whether it be showing, hunting, or pleasure riding.

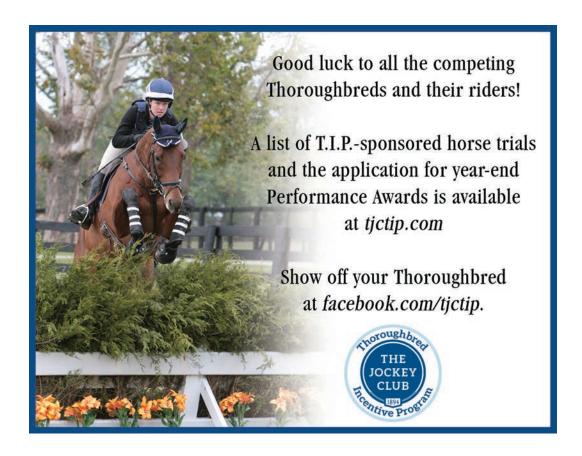

The Genesee Valley Hunt Horse Trials is proud to offer TIP awards again this year! The Thoroughbred Incentive Program (TIP) is backed by the Jockey Club and was created to encourage the retraining of Thoroughbreds into other disciplines upon completion of careers in racing or breeding. TIP offers incentives for competition horses, recreational horses, young riders and Thoroughbreds in a non-competitive second career, as well as a championship show.

All Thoroughbreds registered with the Jockey Club are eligible; it's easy and free to sign up! TIP horses are in bold in this program. Contact the secretary if your entered horse isn't entered but is eligible

The Area 1 Adult Rider Program welcomes all adults, aged 22 and older, whether professional or amateur. It aims to include adults of all skill and experience levels in a supportive environment that promotes education, communication, recognition, and fun.

The goal of the Adult Rider Program is to boost adult rider participation in eventing through education, recognition, and fostering communication and camaraderie.

Additionally, the Area 1 Adult Rider Program will sponsor an award for the lowest score, per level, among Adult Rider Participants.

Thank you, Adult Rider Program!
